

Refer a Friend

As a loyal customer we love to thank you through rewards in our Frequent Shopper Program*. It's the ultimate compliment when you share our store with your friends so when you do we would like to offer you a special gift.

Every time you refer a customer not yet in our database you will receive 250 Frequent Shopper Points and so will your friend! You just need to pop into either location and we will give you some Refer a Friend cards to give out.

*Frequent Shopper Program: For each dollar spent on regular priced merchandise you will receive a point. Once you reach 500 points you will get a \$40 Gift Certificate. So, after only two referrals you'll have \$40 bucks to spend in the store.
